GRASS - Social Choice Research Group - is a network of scholars interested in the analysis of individual and collective choice and social welfare theory. The aim of the group is to promote and encourage open scientific exchange of ideas between researchers working on a broad range of these topics.

The two-day Verona Workshop follows the editions held throughout Italy in the past thirteen years.

Researchers interested in presenting their work should submit a full paper to grass.workshop@gmail.com by June, 21.

A non-exhaustive list of topics of interest includes:

- Behavioral economics
- Cooperative Games
- Decision Theory
- Economics of social networks
- Experimental Social Choice
- Fairness, Justice, Equity
- Game Theory
- Inequality and Poverty
- Law and Rights
- Market Design
- Mechanism Design
- Optimal Taxation
- Political Economy
- Preference Aggregation
- Public Goods
- Subjective well-being
- Voting and Elections
- Welfare Criteria

There is no conference fee; participants will need to cover their own travel and accommodation expenses (we will recommend conveniently located hotels). Coffee breaks and lunch will be provided on both days. There will be a conference dinner on September, 11.
